

Official Elizabeth Township Notice

Due to confusion which may have resulted from recent written correspondence issued by a current Commissioner, the Elizabeth Township Board of Commissioners publicly voted to issue the following statement:

- Elizabeth Forward Youth Athletics (EFYA) and its Vice President Christian Thoma did not have involvement in the Township expenditures relating to a proposed Dek Hockey Rink for the Township.
- EFYA and its Vice President Christian Thoma did not have involvement in the expenditures of the former Elizabeth Township Sanitary Authority or its Engineer.
- Any and all expenditures issued to EFYA were always approved by a vote of a majority of the Township Board of Commissioners.
