Dear Mr. Michaels:

The Pennsylvania Department of Transportation (PENNDOT) and the Federal Highway Administration (FHWA) are pleased to invite you to view an un-staffed public plans display for the S.R. 2010, Section A04 project. For your convenience, the plans display will be available for your review over a four-week period.

**SUBJECT: PUBLIC PLANS DISPLAY
 SR 2010, SECTION A04 OVER WYLIE RUN
 LOVEDALE ROAD BRIDGE REPLACEMENT**

DATE: MAY 15 THROUGH JUNE 12, 2017

**LOCATION: ELIZABETH TOWNSHIP MUNICIPAL BUILDING
 522 ROCK RUN ROAD
 ELIZABETH, PA 15037
 OPEN: 8:00 A.M. to 4:30 P.M., MONDAY - FRIDAY**

The proposed project involves the replacement of the bridge carrying Lovedale Road over Wylie Run in Elizabeth Township and Lincoln Borough. The proposed project will tie the wingwalls into the existing retaining walls which protect the slope / roadway and maintain the stream channel. The project will also include minor approach roadway work and guide rail installation. The project will be constructed under a full detour utilizing accelerated bridge construction techniques to minimize impacts to road users.

Your input throughout project development is very important to the success of the project. The purpose of the un-staffed display is to share the bridge replacement plans, introduce the detour plan, provide a typical roadway section, and gather feedback from the public. Comment forms will be available to provide written comments and concerns to the project team.
